

MINUTES OF
CATAWBA COUNTY BOARD OF ELECTIONS
November 7, 2022

Board Chair Barry Cheney called the meeting to order at 5:00 pm. The minutes from the November 1, 2022 meeting were adopted unanimously.

The following absentee ballots applications were unanimously approved: 12,606 One-Stop, 527 Civilian, 3 Military and 27 Overseas. See the attached documents. The Board authorized the staff to feed approved ballots into the designated tabulator after approval, with tabulation not to be initiated until election day. Director Duncan reported that a software issue has been discovered regarding the leased printers, but the office has enough printers to send out to the precincts in case the software issue cannot be resolved. Duncan also reported that there were 22 mail in absentee ballot applications returned without proper signatures where the voters, after notification, never did return those ballots with proper signatures in time. Some indicated that would just vote election day instead.

Board Chair Cheney then adjourned the meeting.

Respectfully submitted,

David W. Hood, Secretary
